

Company Policy Statement

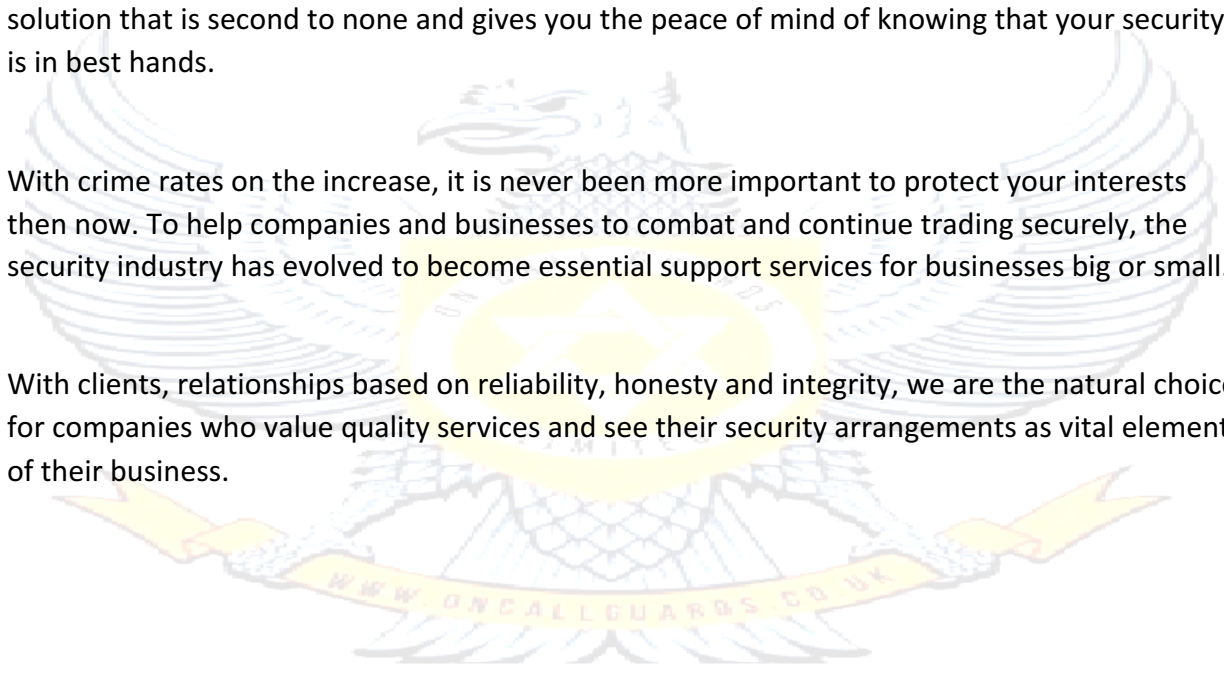

On Call Guards Limited based in London and offers a range of professional security services to all the business community from traditional premises protection to retail and commercial sites.

We understand the issues concerned about protecting their premises, information and staff and offer tailor made personnel solution that addresses these problems head on.

All our personnel are SIA Licenced and fully trained in the use of the latest technology to ensure the utmost professionalism in every situation. We offer a wide range of services and extremely flexible and no matter what your needs are, we will work with you to develop a solution that is second to none and gives you the peace of mind of knowing that your security is in best hands.

With crime rates on the increase, it is never been more important to protect your interests then now. To help companies and businesses to combat and continue trading securely, the security industry has evolved to become essential support services for businesses big or small.

With clients, relationships based on reliability, honesty and integrity, we are the natural choice for companies who value quality services and see their security arrangements as vital element of their business.
